

Since the start of the pandemic, LPS has been proud to serve all students breakfast and lunch at no cost regardless of family income. The free school meal benefits will expire after the last school day of the 2021-2022 school year. We ask that families fill out a meal application if they are close to the income guidelines below. Applications will be accepted after July 1st for the upcoming school year. If you do not qualify for free or reduced priced meals, but your household income or dependent status changes during the school year, you are encouraged to fill out a new application.

Every eligible application counts and adds valuable resources to our school. Submitting your school meal application helps ensure that all students and their families have access to nutritious meals and other benefits.

It is easy! Completing an application takes less than 10 minutes and you only need to complete one application per family. Applications are completely confidential and will not be shared outside of the school district's office. Since your family's financial situation may change from year to year, you must fill out a new application each school year. Thank you for taking the time to submit your application.
